

# Little Bow Resort August Newsletter

We have been in touch with Alberta Environment and this is the response we received regarding items on the beach. (See attached pdf)

Please leave the beach neat and tidy and make sure to take your belongings home at the end of the season.

Open fires are not allowed on the beach.

We have been lenient with the ATV by-law. Please continue to ensure there are no underage drivers. Kudos to those who have been respectful with their ATV's and obeying the stop signs.

Please make sure to continue utilizing the recycling areas set up.

Please join me in congratulating Jaedon Kienlen . He has accepted the position of full time caretaker effective September 1st.

Bob Kilbach has resigned his position on the board for personal reasons.

Please ensure to provide your guests with a pass for the boat launch and don't forget to use your own.

Shout out to Ron Normandeau, Clayton Stokes and Neil Bard. These gentleman helped out with an unexpected problem that arose, showing a commitment to our resort.

Your board will be working on developing a consistent process for enforcement of our by-laws. We will communicate it to you later in September .

Hope you have enjoyed your summer so far. Take advantage of the next few weeks!

Connie Burndred  
On behalf of the Board of Directors
