

## **LITTLE BOW RESORT NEWSLETTER - SUMMER 2017**

### **Board Meeting**

A board meeting was held on June 11, 2017.

In attendance was: Warren Lyckman, Jeanne Bohn, Connie Burndred, Ralph Scott, Ross Clements, Joan Uhrich, Jon Hodal, Derek Reid.

All positions were available for anyone to volunteer for. The following volunteered to fill the roles as noted below:

President: Connie Burndred

Vice President: Ralph Scott

Treasurer: Ross Clements

Secretary: Jeanne Bohn

Water Committee Representative: Ralph Scott

With no volunteers stepping forward to write the newsletter the president Connie Burndred will continue to provide newsletters.

For those of you unaware we have an issue with our water intake. It is floating and should be adhered to the reservoir floor. Our water committee is addressing the issue. We will keep you informed.

Our next board meeting will be held in September, date to be determined.

## Canada day celebration

The celebration was well organized and fun was had by all! Thank you to the many volunteers who helped make it a success. Special thanks to the fireworks volunteers. As a reminder fireworks are not permitted in the resort. Special authorization was given for the Canada 150!

## Resort Safety

There have been a number of concerns regarding the following:

**Stop signs**

**Speed limit**

**Unauthorized fireworks**

**Displaying owner/guest tags in your vehicle while utilizing the boat launch**

**Firearms being discharged on condo property (old dry dump)**

**Doing donuts at the boat sheds**

With a number of us having guests out it is our responsibility as owners to ensure they know and adhere to all resort laws and bylaws.

## Caretakers Corner

We received a note from a resident. They stated they would like to applaud the resort staff in doing a top notch job maintaining and up keeping the resort for all to enjoy.

We have finished planting for this season the twenty new trees which include spruce and maydays. They are in various locations throughout the resort.

When reserving campsites for your guests they must be paid for in advance. Please dispose of your household garbage at our transfer station not in the resort garbage bins. Please **bag** your dog feces before placing in resort garbage bins. The resort has an area for disposal of grass clippings by the garden. Please use this area for disposal.

An irrigation pipe has been installed below the campground by the farmer's field up against the fence as extra protection in case of a grass fire. This has been damaged and repaired. We are asking residents to keep an eye out to prevent any further damage.

Dandelion spraying has been suspended until next year.  
We have hired our seasonal employee Keegan Evans. Make sure to make him feel welcome.

Have a safe and enjoyable summer!
