

Did You Know?

Every dollar that you donate will be matched by both the Town of Vulcan and Vulcan County.

In other words, your \$1.00 donation automatically becomes a \$3.00 donation!

Currently, the Foundation has raised just over \$1,050,000.

This translates into approximately \$3.15 million when you include the contributions from the Town and County. The Foundation committed to raise \$4.5 million dollars with its Vulcan County and Town of Vulcan partners. As of March 31, 2017 the Foundation needs to raise \$ 400,000.00 to complete its share of the total for this stage.
